Call for Papers

12\textsuperscript{th} Science Council of Asia (SCA) Conference and International Symposium
10 - 12 July 2012, Bogor - Indonesia

theme
Mobilizing Science Toward
Green Economy

The 12\textsuperscript{th} SCA Conference and International Symposium will focus on the current state of knowledge of ongoing Asian green economy in the context of sustainable development and poverty eradication. On July 11\textsuperscript{th} and 12\textsuperscript{th}, International Symposium will be held. Presentations and discussions at the International Symposium should be focus on research, policies and practices that are needed to enable Asian Nations to plan and implement green economy and sustainable development. Ongoing research in various fields of green economy and related sciences will be presented in parallel sessions. The International Symposium will hold presentations of selected keynote speakers who provide state of the art overviews of the main topics along with papers and posters of member participants. A field trip is planned on the last day of the symposium.

Conference and Symposium Agenda
1. Management Board Meeting
2. General Assembly Meeting
3. Science Council of Asia Joint Project Workshop
4. International Symposium
5. Field trip

Important dates
16 March 2012 : Deadline for abstracts submission
13 April 2012 : Notification of acceptance of abstract
22 June 2012 : Full Paper submission

Instruction for contributors:
Each contributor is required to submit a double-spaced copy of the abstract in Microsoft Word for Windows format (Microsoft Word is the preferred format). For consistency, use a 12-point type font and 1" margins all around. Please include a cover page indicating the name, title, affiliation, complete postal address, e-mail address, telephone number and fax number of the author(s). On the cover page, please also indicate the general topic of your paper (e.g., Food Security, Eco-Financing, etc.). For submission of your abstract, please send it by e-mail to bkplipi@yahoo.com, bkpi@mail.lipi.go.id as an attached file.

All abstract will be subject to a blind review process. The submission of abstract for review means the author certifies that the manuscript is not copyrighted, and has not been published elsewhere. Please keep in mind that if you are the co-author of more than 1 accepted to the conference, at least 1 of your co-authors of the other papers must register in order to present at the conference.
