

# SCOR-JOS Joint Symposium “Ocean Sciences in Japan: Present and Future”

Date : Sep. 25 (Wed.) 2019 13:30~17:00

Venue : Toyama International Conference Hall  
(<https://www.ticc.co.jp/>)

Organizer : SCOR Subcommittee, Committee on Earth and  
Planetary Sciences, Science Council of Japan,  
The Oceanographic Society of Japan

Support : Japan Agency for Marine-Earth Science and Technology,  
Atmosphere and Ocean Research Institute - Univ. of Tokyo

## ◆ Purpose

The annual meeting of Scientific Committee on Oceanic Research (SCOR) will be held in Toyama from Sep. 23 to 25, 2019, just before the 2019 fall meeting of the Oceanographic Society of Japan (JOS). Taking advantage of this rare opportunity, a half-day symposium is organized to highlight research activities on ocean sciences in Japan to the SCOR members and to introduce SCOR activities and its relation to Japan to JOS members. The symposium expects future development of stronger cooperation between SCOR and JOS.
