

futureearth

An introduction to **Future Earth**

Future Earth Community

9 Global Secretariat
Hubs

19 National and Local Networks

27 Global Research Networks

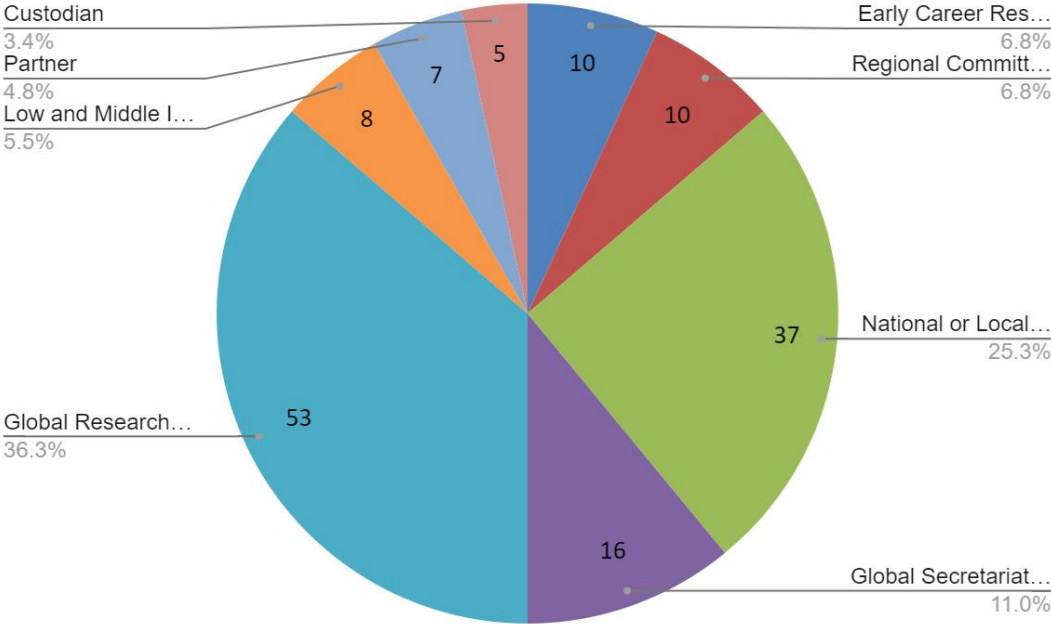

50,000+ ...
Our networks reach 50,000 global sustainability researchers and people interested in this research

Assembly Diversity

Total number of Assembly Members: 145

- 49 (33 %) from Low and Middle Income Countries, and 96 (66 %) from High Income Countries
- 66 (45.5%) Female and 79 (54.5%) Male
- 21 (14.4%) Early Careers and 124 (85.5%) Mid-to-Late Careers

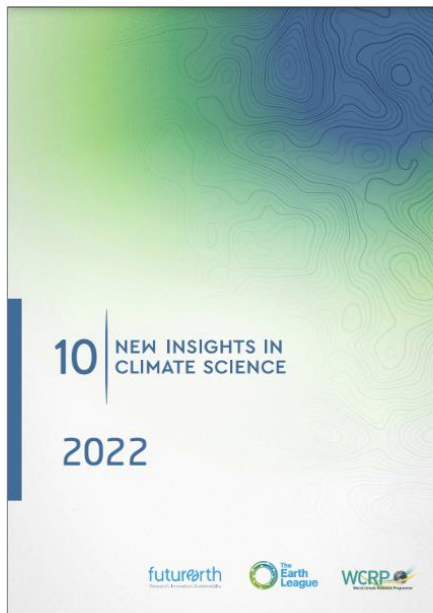

10 New Insights in Climate Science series

- An annual synthesis that highlights **essential recent advances in climate change research**, from natural and social sciences, with high policy relevance.
- **Policy report:** Geared toward climate policy negotiators and the general informed public, launched every year at the UNFCCC COP since 2017.
- **Academic synthesis:** Underpinning the policy report, and providing scientific rigour and credibility, an is prepared and submitted for publication in *Global sustainability journal*.
- **Public outreach 2023:** Multiple language translation (Japanese, French, Spanish) and parallel launch events in Montreal & Japan.

10 New Insights in Climate Science 2022

【Final】10NICS 2022 Japanese 20230414.pdf (futureearth.org)

Insight 1 適応は無限という神話を疑う

Insight 2 脆弱性のホットスポットは「リスクの高い地域」に集中する

Insight 3 気候と健康の相互作用により、新たな脅威が出現した

Insight 4 気候変動による人口移動に対しては、エビデンスを踏まえた先見的な行動が求められる

Insight 5 人間の安全保障には、気候安全保障が必須である

Insight 6 持続可能な土地利用は気候目標達成に不可欠である

Insight 7 民間のサステナブルファイナンスの取組みは、根本的な社会経済の転換を引き起こせていない

Insight 8 損失と損害への対策が地球規模で緊急に求められている

Insight 9 気候変動にレジリエントな開発に向けた包摂的な意思決定が必要である

Insight 10 構造的な障壁と持続不可能なロックインの打破が必要である

10 New Insights in Climate Science 2022 日本からの貢献

- **INSIGHT 3**

- Writer-coordinator: Giles B. Sioen – Future Earth Secretariat, Japan; National Institute for Environmental Studies, Japan

- **INSIGHT 5**

- Author: Yasuko Kameyama – National Institute for Environmental Studies, Japan

- **INSIGHT 7**

- Author: Kim Schumacher – Kyushu University, Japan
- Writer-coordinator: Sunhee Suk – Future Earth Secretariat, Japan; Nagasaki University, Japan

- **コメント、助言等**

- Masachika Suzuki (Sophia University), Fumiko Kasuga (Future Earth/NIES)

- **日本語版作成**

10 NEW INSIGHTS IN CLIMATE SCIENCE

～気候変動について今伝えたい、10の重要なメッセージ～

2022年版和訳公開イベント

日時：2023年4月18日 オンライン

主催：国立環境研究所 社会対話・協働推進オフィス

共催：地球環境戦略研究機関（IGES）

総合地球環境学研究所

長崎大学

Future Earth国際事務局日本ハブ

後援：国際連合広報センター

Charting the course for the next decade of Sustainability Research and Innovation

Editors

Sirkku Juhola, University of Helsinki, Risk KAN

Steven McGreevy, University of Twente, SSCP KAN

Faten Attig-Bahar, University of Carthage, Nexus KAN

Giles B. Sioen, Future Earth Global Secretariat

Judit Ungvari, Future Earth Global Secretariat

Submissions open between 1 November 2022 - 14 July 2023

SRI2023 Panama, June 26-30, 2023

- Program available for Panama: 100+ sessions
- 2 Satellite Events (Asia and Africa)
- Idea Market and Open Day call deadline May 15, 2023
- SRI2023 summer camp
- Media
- SRI2024-5 host announcement coming

Early-Career Activities

- Liaising with the Early Career Researchers Network of Networks (ECR NoN)
- Supporting ECR participation in Future Earth Networks, activities and events (GRNs, Assembly, GC, SRI, Pathways etc)
- **TERRA School (Transdisciplinarity for Early careeR Researchers in Asia School)** a short-term intensive course on transdisciplinary research in practice
- Transdisciplinary ECR courses in France

UNFCCC COP27, Future Earth delegation

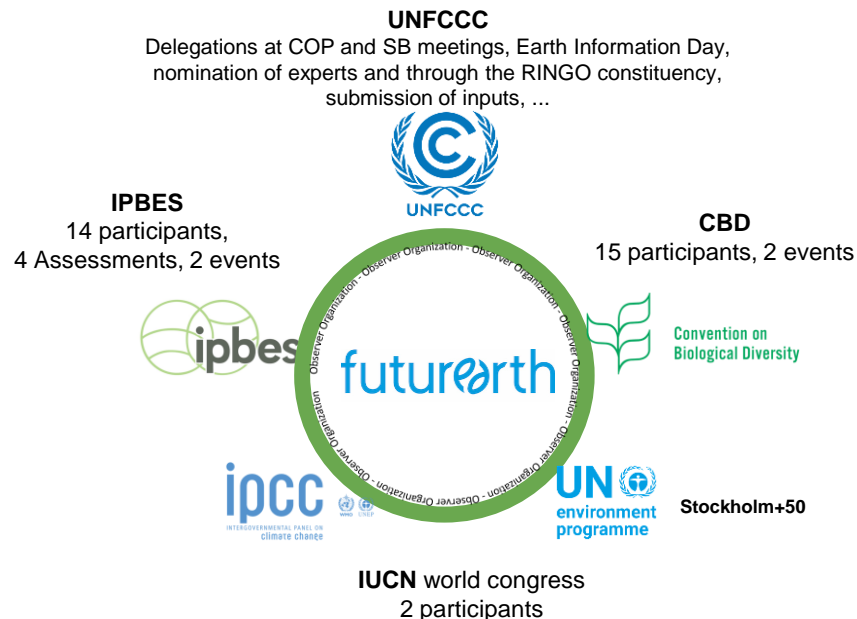

- 10 people
- 15 events and press conferences

CBD COP 15

- 15 participants
- 2 events

UN Water Conference

- 5 participants
- Submitted statement

Science-policy activity with UN level events and reports

Implementation Plan - Member Portal

A community digital space for members to connect with each other and to share information at members.futureearth.org.

Member Directory

The Member Directory page shows a world map with several countries highlighted by colored circles containing numbers. The navigation bar includes Home, Groups, People, News, Events, Opportunities, Forum, and Resources. Search options for people and location are provided at the top.

Opportunities

The Opportunities page features a search bar and navigation tabs. Below the search options, there are filters for 'All', 'Engagement opportunity', 'Funding opportunity', and 'Job listing'. The main content area lists 12 opportunities, with the first one being the '6th Sentinel-2 Validation Team Meeting' by ESA, located at Via Galileo Galilei, 1, 00044 Frascati RM, Italy. Other opportunities include a research associate position at the University of Warwick, a postdoctoral fellow position at Pontificia Universidad Católica de Chile, and a scientist position at the European Space Agency.
