

YOSHIKAWA Mayu

Senior Advisor, ARCH Venture Partners

【Bio】

Mayu Yoshikawa holds a Ph.D. in Life Sciences from the University of Tokyo's Graduate School of Frontier Sciences. After starting her career at McKinsey & Company, she joined a venture capital firm in Japan, where she led investments in biotech startups for approximately six years. Now she serves as a Senior Advisor at ARCH Venture Partners, where she focuses on company creation and business development leveraging technologies from Japanese academia (e.g., City Therapeutics). In parallel, she is also involved in managing two biotech startups in Japan and the U.S.
