OGAKI Masao / 大垣 昌夫

Special Visiting Professor, Faculty of Economics, Doshisha University

同志社大学経済学部 特別客員教授

Masao Ogaki is Special Visiting Professor at the Faculty of Economics, Doshisha University, and Professor Emeritus of Keio University. He received his Ph.D. in Economics from the University of Chicago in 1988. After holding academic positions including Assistant Professor at the University of Rochester and Professor at The Ohio State University, he served as Professor of Economics at Keio University from 2009 to 2024. He has held his current position since April 2024.

He served as President of the Japanese Association for Behavioral Economics from 2015 to 2017 and as President of the Japanese Economic Association from 2021 to 2022. Since 2025, he has served as President of the Community Mechanism Research Association, and since 2024, as Chair of the Economics Committee of the Science Council of Japan.

His research spans behavioral economics, macroeconomics, econometrics, and the study of the community mechanism. He has published numerous articles in leading international journals, including American Economic Review, Econometrica, International Economic Review, Journal of Political Economy, and Review of Economic Studies. His books include *Behavioral Economics: Toward a New Economics by Integration with Traditional Economics* (Springer, 2017, co-authored).
