

Agreement on Joint Conferences
for Scientific Cooperation
between
Science Council of Japan (SCJ)
and
The Korea Institute of Public Administration (KIPA)

Science Council of Japan (SCJ) and The Korea Institute of Public Administration (KIPA) recognizing the desirability of enhancing mutual relations and fostering links between the professional personnel, wish to enter into an accord of cooperation, whereupon we agree:

1. to exchange information each other about the academic activities including science and technology meetings and seminars / conferences, etc:
2. to promote collaboration in the areas of mutual scientific interest such as:
 - a) Exchange of professional personnel, young and senior, to exchange ideas and information to contribute to the society:
 - b) Holding joint workshops / seminars on specific subjects with participation of scientists from each country. Both SCJ and KIPA will identify topics of these workshops through mutual consultation.

Both the parties shall assist professional personnel nominated within the Conference Agreement in arranging local hospitality in the host institution as per their normal practice.

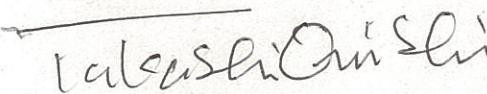

The present Conference Agreement concluded between SCJ and the KIPA will come into force after the approval of the authorized bodies and will remain in effect until either side decides to terminate it after six months' notice in writing.

It may be supplemented by a mutually agreed upon Executive Protocol that will establish the modalities, financial support and other details deemed necessary for the smooth functioning of the Conference Agreement.

Signed in Science Council of Japan on July 10th, 2014 in duplicate in English, both texts being equally authentic.
