カリフォルニアメ	(学バークレー校 Undergraduate	
	African American Studies	
	American Studies	
	Anthropology	
	Architecture	
	Art (History of) Art (Practice of)	
	Asian Studies	B.S.
	Asian American Studies	5.0.
	Astrophysics	
	Celtic Studies	
	Chicano Studies	
	Chinese Language	
	Classical Civilizations	
	Classical Languages	
	Cognitive Science	B.A. or B.S.
	Comparative Literature	
	Dance and Performance Studies	(I)A cnemistr
	Development Studies Dutch Studies	Chemistry (B
	Earth and Planetary Science	(R \(\) \(\) (2)Computer
	Economics	Engineering (I
	English	the College o
	Ethnic Studies	(3)An environ
	Film	College of Na
	French	Letters and S
	Gender and Women's Studies	
	Geography	
	German	
	Greek	
	History	
	Integrative Biology	
	Interdisciplinary Studies Field Major Italian Studies	
B.A.	Japanese Language	
D .7 (.	Landscape Architecture	
	Latin	
	Latin American Studies	
	Legal Studies	
	Linguistics	
	Mathematics	
	Mathematics, Applied	
	Media Studies	
	Middle Eastern Studies	
	Molecular and Cell Biology Music	
	Native American Studies	
	Near Eastern Studies	
	Operations Research and Management Science	
	Peace and Conflict Studies	
	Philosophy	
	Physical Sciences Field Major	
	Physics	
	Political Economy	
	Political Science	
	Psychology	
	Public Health	
	Religious Studies	
	Rhetoric	
	Scandinavian (Danish, Norwegian, Swidish)	
	Slavic Languages and Literatures Social Welfare	
	Society and Environment	
	Sociology	
	South and Southeast Asian Studies	
	Spanish	
	Statistics	
	Theater and Performance Studies	

I)A cnemistry major may be taken either in the College of Chemistry (B.S.) or in the College of Letters and Science

Business Administration Chemical Biology Chemical Engineering

Engineering

Microbial Biology

Molecular Toxicology Nutritional Science Vision Science Chemistry(1)

Computer Science(2) Environmental Sciences(3)

Conservation and Resource Studies

Environmental Economics and Policy

Forestry and Natural Resources Genetics and Plant Biology

Molecular Environmental Biology

2)Computer science may be studied either in the College of Engineering (B.S. in computer science and engineering) or in he College of Letters and Science (B.A.).

3)An environmental sciences major may be taken either in the College of Natural Resources (B.S.) or in the College of etters and Science (B.A.).
